On occasion, we may be taking your child to the movies, either as our weekly trip or in the case of inclement weather.

In regards to movie ratings, we require your permission in advance as to what category of movie your child is allowed to see. We see only G, PG, or PG13 movies. For most of our movie excursions, we will offer a selection of movie choices and will group children accordingly. In our years of experience, as both parents and teachers, MPAA ratings are not always a reliable rating of a movie's suitability for young viewers. Please know, we do our very best to ascertain the suitability of a movie's content before we make our selections.

I allow my child to see movies in the following categories: _____ G rated _____ PG rated _____ PG 13 rated

_____ I leave the decision up to the discretion of the Fun in the Sun teachers.
